

FAQ'S

Q1: How long will it take for me to speak English fluently?

The course exposes you to various speaking, reading, listening, and role-playing activities. By the end of the 6th week, most of our students experience a significant improvement in fluency and confidence.

Q2: Who will teach me?

Your personal trainer/teacher will be an English language expert with extensive experience in training for corporates and blue-chip companies. Our passionate trainers come from different parts of the country and are dedicated to teaching fluency.

Q3: Will the trainer teach other students with me?

If you opt for a group class, the trainer will teach other students. Otherwise, classes are conducted as one-on-one sessions. We prefer 1:1 class to tailor the instruction to each individual's level with a customized curriculum.

Q4: How is the curriculum customized?

Our content is cloud-based and designed for customization. The curriculum is based on a study plan, and the trainer creates a personalized plan for each student. Depending on your interests and progress, the pace, sequence, and content of your daily plans may be adjusted.

Q5: What tool is used for the classes?

Your classes will be conducted via video on Zoom, allowing you and your trainer to share screens and see each other. This interactive tool provides an engaging experience similar to in-person tutoring.

Q6: How will the trainer know the level of my English?

Upon enrollment, every student undergoes a diagnostic test. The trainer analyzes this test to create a language profile. Through daily video classes, the trainer's understanding of your level improves over time.

Q7: Can I choose the time for my class?

Yes, you may choose a class time according to your daily routine. We offer classes at any time between 7 a.m. and 11 p.m.

Q8: How will this program benefit me?

Our unique English program focuses on the culture, habits, and mindset related to English rather than just grammar. Through this program, you will experience a transformation in your communication style, gaining confidence and the ability to express yourself clearly and authoritatively. Ultimately, you will see English becoming an integral part of your personal and professional life, and by the program's completion, you will have developed strong thinking, writing, and reading skills, and become an articulate communicator.
